2) D/Fo Lancaster Rec'd for orders

The proposal to meet the extra cost for the year 1942-43 from the Closing balance of [illegible] that balance does not appear to be feasible now. The date from which the enhanced rate has been sanctioned is not mentioned. The sum of Rs 320 asked for represents the increase for the whole year 1942-43

An early report of the amount that will be available for 1942-43 and the steps that have been taken already to collect all funds for 1942-43 should be made. Whether it can be met out of the maternity hospital fund or the Chamarajendra Hospital fund or the Cooper Hospital should be clearly stated. It has not been made clear in the D.O. letter why the results of the tests were not known earlier.
